Facts For Prospective Car Buyers

There are 1272 Cars registered in Medina County, and
below is a list of the number approximately
of each make of Car.

Read and consider:
894 FORDS, or approximately **71** per cent of the entire total of registration
59 Overlands, or approximately **4 1-2** per cent of the entire total of registration
57 Buicks, or approximately **4 1-2** per cent of the entire total of registration
40 Dodges, or approximately **3 1-2** per cent of the entire total of registration
51 Chevrolets, or approximately **4** per cent of the entire total of registration
171 Other Makes, or approxi'm'y **12 1-2** per cent of the entire total of registration

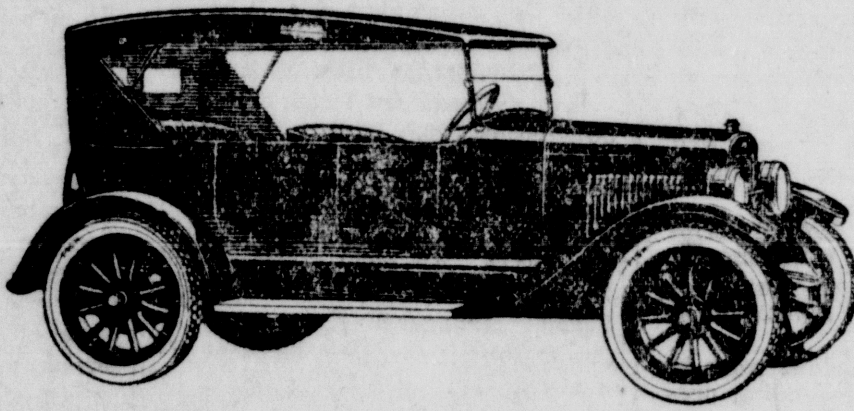

- Several reasons why the Ford has 71 per cent of the total registrations:
- 1st. The Ford has the lowest first cost of any Car made and is backed by one of the greatest organizations in the world.
 - 2nd. All Ford Dealers carry a full line of genuine Ford Parts, that cost in most cases less than half the prices charged for parts for other low priced Cars.
 - 3rd. All Ford Dealers have skilled mechanics to give prompt and efficient service and do all work on a set schedule of prices.
 - 4th. The resale value of the Ford is the Highest of any other make of car.
 - 5th. The dealers desire to give their Ford owners the value for their money and are back of every Ford that they sell.

The main ramrod of this mulder
of public opinion has been trying his
hand at the keyboard of the linotype
this week. So if you see two or three
words jammed together like this you
can just account for it in our hur-
ry to get to the end of the line. We
have pulled the bell-cord over a
Mustang mule many a day and often
headed a mule cow in the ope, but for
something that absolutely refuses to
be misled, humored or cajoled com-
mend me to the linotype. And
come to think about it, we didn't know
there was as much left on earth to be
learned as we don't know about how
to humor the pesky thing. P. S. If
we live over this first experience this
may be—continued in our next!

MONTGOMERY-MOFIELD.

A quiet home wedding was celebra-
ted at the residence of Mr. and Mrs.
Louis Mofield last Sunday afternoon
when their daughter, Miss Hazel, be-
came the bride of Dr. A. W. Mont-
gomery of San Antonio, Rev. A. M.
Foster, pastor of the Methodist Church
officiating.

The wedding came as somewhat of
a surprise to the Majority of Miss
Hazel's friends, as she had confided
the approach of the happy event to
but few if any of her intimates.

The people of Hondo offer felicita-
tions and best wishes to the happy
young couple and trust that their
wedded life may prove one of unal-
loyed happiness and prosperity.

Dr. and Mrs. Montgomery will
make their home in San Antonio.

—[F. F.]—

WITH THE DRILLERS.

The Fritz Fuchs well near Yancey,
which drilled into salt water last
week, has been under reaming with
the purpose of casing off the water.
It was scheduled to finish the under-
reaming by Wednesday and resume
drilling Thursday, but it is possible
the inclement weather has somewhat
delayed the work. Mr. Fuchs is an
old and experienced oil man and has
an abiding faith in the existence of a
great oilfield in this section, and is
backing his judgment by spending
thousands of his own dollars in explora-
tion work. Every one hopes that
he will strike it rich.

Contracts for the sinking of four
new tests on the Bendele estate on the
Francisco were entered into this
week. The first of these wells is to
be spudded in in 120 days. These
new tests are in the vicinity of the
Christilles well, and will all be shal-
low tests.

We have heard nothing of the
progress of the other drillers.

—[Two for One]—

THE CANTATA.

The cantata that was prepared for
the Easter Services but was post-
poned on account of the inclement
weather, was rendered at the Metho-
dist Church last Sunday night. Fol-
lowing a short introductory talk by
the Methodist pastor, Rev. A. M.
Foster, in which due acknowlege-
ment of invaluable assistance given
by the Baptist Choir and others, and
a very appropriate prayer offered by
Rev. W. C. Brown, pastor of the Bap-
tist Church, the services were turned
over to the choir of the two church-
es, and a decidedly pleasing service it
proved to be. It would be invidious
to mention anyone particularly
where all did so well, and the service
will long remain a pleasant memory
with the large congregation present
to enjoy it.

—[F. F.]—

THE RAIN.

Another good, soaking rain has fal-
len on the farms and ranges of Me-
dina County—a timely rain that while
not particularly needed was never-
theless welcome, and its value in dol-
lars and cents would be hard to esti-
mate. According to the rain gauge
maintained by Judge Haass, the pre-
cipitation in Hondo totaled .93 of an
inch, Wednesday night and Thursday
morning's rain measuring .68 of an
inch and Thursday evening's rain
measuring .25 of an inch. But me-
teor reports have been received from
the country, but it is possible the rain
was much heavier south and west
than here in town. This rain practi-
cally insures an oat crop and will
carry the corn a long way. No re-
ports of hail damage had been re-
ceived up to Friday noon.

**ANOTHER LANDMARK SWEEP
AWAY.**

Through the death of Grandpa
Henry Schweers, Sr. one of Medina
County's oldest pioneers has gone
to his rest.

All those who knew him honored,
praised and loved him. He came
from Germany to America in his
best health. He helped to build up
Medina County from its infancy.
He, with those who came with him,
settled down on the Quini Creek, built
homes and began to fight life's battles
as they then were, and many did he
fight, hauling freight over the open
prairies, infested with hostile Indians,
and many other hard times which
none of the present generation will
experience, but being strong and
robust, he withstood it all. The oldest
of four children, he survived them all
by several years.

Grandpa Schweers lived a life that
all who knew him can be proud of.
He led a real, true Christian life, set-
ting an example for everybody. He
was a real Samaritan neighbor, help-
ing all he could in every way; build-
ing up schools, churches and wherever
good could be done he was there to
help.

Let all who knew him on this earth
Take an example of his life
And know just what 'tis worth
If they do have to strive.

His life was long but it was dear,
He had many trials to face;
Let us who follow never fear
Or give up in disgrace.

Though trials were great he held
his stand
And conquered every foe.
And now he's gone to the promised
land,
Where we all some day wish to go.

Killed a Large Panther.

One day last week Fabian Hicks, a young man living near Tarpley, killed a big panther on his ranch with a 22-calibre rifle. His dogs treed the animal, and as soon as he saw what it was he shot it out of a tree, but the panther ran up another, and he brought it down again. After repeating this performance several times Mr. Hicks finally managed to give it a death wound and the big cat rolled out dead. It weighed 111 pounds, was seven feet from tip to tip, and stood 28 inches high. The pelt was sent to San Antonio for mounting.

R. N. Padgett, the well known registered goat breeder, was over from Tarpley Saturday, and stopped long enough to tell us his goats did not suffer much during the recent cold spell.

MORE MEN THAN WOMEN HAVE APPENDICITIS.

Medical reports shown men are
more subject to appendicitis although
many sudden cases occur among wo-
men. It can be guarded against by
preventing intestinal infection. The
intestinal antiseptic, Adler-i-ka, acts
on BOTH upper and lower bowel, re-
moving all foul decaying matter
which might cause infection. It
brings out matter you never thought
was in your system and which may
have been poisoning you for months.
Adler-i-ka is EXCELLENT for gas
on the stomach. W. H. Windrow,
Druggist.

No Worms in a Healthy Child

All children troubled with Worms have an un-
healthy color, which indicates poor blood, and as a
rule, there is more or less stomach disturbance.
GROVE'S TASTELESS CHILL Tonic given regu-
larly for two or three weeks will enrich the blood,
improve the digestion, and act as a general Strengthen-
ing Tonic to the whole system. Nature will then
throw off or dispel the worms, and the Child will be
in perfect health. Pleasant to take. 75c per bottle.

Making Big Preparation For County
Meet.

Our school people are making big
preparation for the Interscholastic
County Meet here April 13 and 14,
Friday and Saturday of next week.
In addition to the program published
in this issue, and a half a thousand
copies scattered over the county,
Supt. Smith has sent a personal letter
to every teacher in the county, invit-
ing him or her to attend, and bring
contestants and their trustees also
and promises something interesting
every hour of their stay here; and
he has the Devine people solidly be-
hind him. We hope to see a big
crowd of school people here; we may
want the meet to come here again
someday and we want to merit the
good will of the school people who
gave us the meet this year.

New Auditorium Dedicated April 12.

The school board has set Thursday
night, April 12, for dedicating the
new Auditorium. It will be tempo-
rarily seated for the County Meet
which comes here next day. Messrs.
Lilly and Smith were appointed a
committee on program, to be strictly
local talent—in music and speech.
The work except finishing up the
painting, is now about completed.

Will Take Over Highways After Jan. 1.

Commissioner J. W. Roberson calls
our attention to the new law that was
recently passed, taking over the High-
ways by the State Highway Depart-
ment, which after Jan. 1, 1924, will
be responsible for the maintenance
and upkeep of the highways; defray-
ing the expenses by the automobile
license tax, which has been raised to
nearly double the present amount.
The counties will continue to get
the same amount from the autos, in
the counties, but the state's part will
be doubled, and this will maintain
these highways after they are finish-
ed once, and topped with asphalt. The
county funds can then be spent on
the ordinary country roads. Mr. Ro-
berson says Medina County will have
more than fifty miles of highway, and
he thinks the new arrangement fine.
Of course, this means that counties
through which highways cross a cor-
ner, and local interests defeat im-
provements, the Highway Department
will go right ahead using the auto-
mobile money, and Federal and State
aid on such roads as in Atascosa
county, where Lytle never would have
gotten her part of the Highway fixed,
if left to local authorities, as in the
old arrangement.

The road will be 7.57 miles long and
known as Section D of State High-
way No. 3 in Medina County. The
proposals to be submitted will cover
the entire 7.57 miles. The County
will set aside cash funds for paying
its prorata share of the cost of the
above 7.57 miles and these funds will
be paid the contractor as long as the
money lasts. When these funds are
exhausted through payment of
monthly estimates, the contractor
thereafter must expect to wait until
the State Highway Department re-
leases from time to time its own
funds for this work.

Detail plans and specifications of
the work may be seen for examina-
tion and information obtained at the
office of the County Judge, Hondo,
Texas, also at the office of Walton &
Arneson, engineers, 418 Gunter
Building, San Antonio, and at the
office of the State Highway Depart-
ment, Austin, Texas.

A certified check for \$4,000.00,
made payable to R. J. Noonan, Coun-
ty Judge of Medina County, must
accompany each proposal as a guar-
antee that the bidder if successful
will enter in contract and make bond
in accordance with requirements of
specifications. The right is reserved
by the County to reject any and all
bids and proposals or to waive tech-
nicalities. Proposals shall be sub-
mitted in sealed envelopes marked:
"Bids for the construction of County
Road No. 3 in Medina County" and
the bidder's name shall be marked
in the upper left hand corner of
said envelope.

All bids received will be retained
and will not be returned to bidders.

Off on Long Trip.

On Wednesday Mr. and Mrs. Claude W. Gilliam and Mrs. Isaac Wilson and little daughter, Mary Ruth, boarded the Gilliam Ford for the long trip to Los Angeles, California.

The main purpose of the journey is to visit Ensign and Mrs. George Gilliam. The backship Texas, on which Ensign Gilliam is serving is, or shortly will be, in port at San Diego, and as their children could not come to visit them the Gilliams and Mrs. Wilson concluded to visit them. As no S. O. S., so far as we know, had been received from them up to the hour of going to press we suppose everything is going well with them. They carried a complete camping outfit with them and will doubtless have a great time.

As it is thought the good ship Texas will be sent on a cruise in Southern waters during the early summer months it is possible the younger Mrs. Gilliam will return with the Hondo party and spend the time of Ensign Gilliam's absence as the guest of her parents, Mr. and Mrs. Isaac Wilson.

Miller, Claude Gilliam and John Heyen, hostess committee for the occasion, spread delightful refreshments which were heartily enjoyed by those present.

Any young man desirous of entering the citizens military training camp the coming summer would do well to see Clyde Holloway, Post Adjutant of the Hondo American Legion Post, at their earliest convenience. As the number that can be admitted into these training camps from any one community is limited we would advise any young man who is ambitious to don Uncle Sam's uniform for about six weeks military training to see Mr. Holloway without delay.

Off To Devine.

Accompanied by the teachers and a host of rooters, those students of the Hondo Public School selected as representatives to the county interschool athletic meet left for Devine, this year's meeting place, early Friday morning. The journey was looked forward to with no little dread owing to the terrific rain storm which swept over this section late Thursday afternoon, the heaviest part seemingly to be over the road the Hondo party had to traverse to reach Devine.

Of course it is impossible at this hour (Friday noon) to even predict the outcome of the meet, but this much we will venture to say: The school, if a y, that defeats Hondo will realize that it has had a contest. Our representatives left full of fight and we have no fear but that will acquit themselves with credit in both the mental and athletic contest.

News of the result of the meet will be hopefully awaited in Hondo for the next twenty-four hours.

County Books Audited.

Messrs. Joe Ney, Hondo, Arthur Rothe, D'Hanis, and F. R. Briscoe, Devine, the committee appointed by Judge Barney at the last term of the district court to audit the county's books, began their labors Tuesday, and hope to complete their report for presentation to the court which convenes for its Spring term next Monday. The county's books have not been audited for the past four years, hence the magnitude of the work, the auditors heretofore appointed failing to discharge the duty.

As a get-rich quick scheme the auditing of the county's books is a dismal failure, and these gentlemen undertook the work more from a patriotic duty than for what they will receive for their services. This is one public service where the pay is not lavish. Had they been out to make money they could have taken their axes and beat their present job as a wealth accumulator by chopping wood.
